Midwest College Planning is located in Westerville, OH. From 161 we recommend exiting at Little Turtle Way, head South towards Cherry Bottom Rd (Away from Little Turtle CC). At the intersection of Little Turtle and Cherry Bottom (old 161) make a RIGHT. Make the next LEFT at Pine Creek Drive – you'll see the sign for Blendon View Office Park. As you enter you will see a color block map. Go to the Right and follow the curve around to the back of the center building. Pull into a parking spot and go up a few stairs and come in and take a seat.
